Dear Sir:

I, Min-Su Kim, hereby declare that:

1. I am a citizen of the Republic of Korea.
2. I currently reside at 203, 711 Galma-Dong, Seo-Gu, Daejeon, 302-809, Korea.
3. I am a co-inventor of some of the subject matter described in the above-identified patent application.
4. Electronics and Telecommunications Research Institute is the assignee of the above-identified patent application.
5. I have reviewed Do et al., "*Nonlinear optical materials containing organic chromophores of dendrimer structures: Synthesis and Optical properties*", (Photonics Conference 2002)

("Do 2002"). I am informed that the U.S. Patent Office has cited the Do 2002 publication against claims 1 and 3 of the above-identified application.

6. The Do 2002 publication lists Do, Jung Yun; Park, Seung Koo; Ju, Jung Jin; Park, Suntak; Ma, Sung-Min and Myung Hyeon Lee as authors therefore I am not an author of Do 2002.

7. I am further not an inventor of the subject matter now claimed in claims 1 and 3 of the above-identified application.

8. I am an inventor of the subject matter of claims 4, 5 and 6 of the above-identified application.

9. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the above-identified application or any patent issued thereon.

Respectfully submitted,

Dated: Mar 14, 2007

  
Min-Su Kim
